

BIRUK HABTAMU

Product Manager & Product Designer

Addis Ababa, Ethiopia | +251 922 120 103 | habtamubiruk23@gmail.com | LinkedIn | Portfolio | Medium

PROFILE

Product Manager and Designer with 7+ years leading digital product design, UX strategy, and cross-functional teams across fintech, ecommerce, ERP, and EdTech products in Ethiopia and international markets. Skilled in stakeholder management, roadmap planning, and end-to-end product delivery, with a consistent record of taking products from concept through launch while aligning business goals with user needs.

CORE SKILLS

Product: Product Strategy & Roadmapping, Stakeholder Management, Agile & Waterfall, Cross-functional Team Leadership

Design: UX/UI Design, User Research, Wireframing & Prototyping, Visual Design, Design Systems

Tools: Figma, Adobe XD, Adobe Creative Cloud, Autodesk Revit, Lumion, AI Tools

PROFESSIONAL EXPERIENCE

AfroPay Digital Financial Technology S.C. — Product Designer Oct 2025 – Present

Addis Ababa, Ethiopia

- Design end-to-end product experiences for an NBE-licensed digital payment platform, partnering closely with engineering, compliance, and business stakeholders.
- Translate business and regulatory requirements into user flows, wireframes, and high-fidelity UI for financial and payment products.
- Contribute to PRDs and product documentation supporting new feature and platform launches.

Droga Consulting Service — Product Design Manager Jul 2024 – Dec 2025

Addis Ababa, Ethiopia

- Led the Product Design team and digital marketing function across a portfolio of client engagements.
- Directed design strategy for client websites, CMS platforms, and digital marketing assets aimed at driving business growth.
- Owned end-to-end design delivery — research, wireframing, visual design, and stakeholder sign-off.

Adler — Product Designer Dec 2023 – Jul 2024

Seoul, South Korea (Remote)

- Designed 3D and VR platform experiences remotely for an early-stage startup.
- Managed the design team's workflow and deliverables for VR product development.

IE Network Solutions — Team Lead, UI/UX Designer Jun 2023 – Dec 2023

Addis Ababa, Ethiopia

- Led the design team in building UI/UX for ERP products, from requirements gathering through final designs.

Maraki Educational Consultancy — Lead UI/UX Designer Jan 2021 – Apr 2023

Addis Ababa, Ethiopia

- Developed in-house web and mobile platforms, integrating user-centric features with emerging technology.
