📄 PROFILE

Hi, I'm **Biruk Habtamu**, a **Product Manager and Designer** with 7+ years of experience. I specialize in driving product development, blending strategic vision with user-centric solutions. Skilled in stakeholder management, roadmap planning, and cross-functional collaboration, I deliver impactful results. I have successfully led projects from conception to launch, ensuring alignment with business goals and customer needs. Fluent in English with strong problem-solving and communication skills, I am passionate about creating innovative products that stand out and drive growth. Beyond work, I love to **Vibecode**—exploring ideas at the intersection of creativity, technology, and human experience.
